Do You Love Vacation Bible School?

If so, perhaps you would be willing offer your home as a VBS Mobile site? We have found that holding VBS in neighborhoods attracts more unchurched kids!

Vacation Bible School will be held June 1-5, from 6:00-7:30 PM.

We need homes where kids will be welcome to run and play as well as do crafts and have a light evening meal - all primarily outside. *If you are interested, please contact Jessica Johnson at 400-1815.*

Clayton King West Nassau Baccalaureate Speaker

Born in 1972, Clayton was put up for adoption by his 15 year old mother and was adopted by a loving family in upstate South Carolina. He

sensed a call to ministry at the age of 14 and began speaking in churches, youth groups, and local prisons as a young teenager.

As Secretary of the National Beta Club, he began speaking to secular audiences and developed communication skills as well as leadership abilities before entering college. As a Presidential Scholar at Gardner-Webb University, Clayton was President of the Honors Program and Alpha Chi, as well as the Outstanding Male Graduate of the Year in 1995.

He now spends his time traveling, preaching and speaking in churches, conferences and leadership events, as well as running Crossroads/Clayton King Ministries, a non-profit organization he founded in 1995.

His ministry offers summer camps, student conferences, leadership and coaching networks, and a daily radio ministry in partnership with the Billy Graham Evangelistic Association.

He is married to Sharie and they enjoy working, writing, and speaking together. He is the father of Jacob and Joseph, ages 12 and 9.

He loves good books, black coffee, four-wheelers and anything that gets him outside and in the woods. He has also killed three bears and he can talk backwards.

Global Impact Celebration

August 19-23, 2015
Blessing Mart Collections

Northeast Florida Baptist Association Mobile Dental Clinic

Each year the NEFBA is able to bring The Florida Baptist Convention Mobile Dental Unit to our area to provide some basic services to those otherwise unable to afford dental care. Only fillings and extractions (teeth pulled) are done at this mobile clinic. No cleanings, dentures, or oral surgeries will be provided.

If you or someone you know needs these services, medical and financial screening and appointments will be scheduled on Tuesday, April 14. Screenings and scheduling will be from 8:30 AM until 4:00 PM at the Northeast Florida Baptist Association, 851035 US Highway 17 North in Yulee on a first come, first serve basis. The unit will be at NEFBA on April 20.

Call Laurie Warren at 225-5941 if you have questions.

It may seem like a long time until August, but before you know it missionaries will be arriving to share their missions and ministries with us once again!

Missionaries have not yet been assigned to Bible Fellowship Groups, however we are asking BFGs to start collecting for their Blessing Mart gifts now to be prepared for August! As soon as we know which missionaries are coming, they will be assigned and BFG leaders will be advised who and what their groups are collecting for so they can pass that information on.

000-What's This?

Have you seen these numbers displayed in the speaker chambers above the choir loft in the auditorium and wondered what they were about?

For those of you who have volunteered to serve a rotation in Extended Teaching Care (ETC) or the nursery, they mean **HELP! Come now!**

Either we have an unusually high number of children that particular service or someone who was scheduled to serve was unable to make it for their scheduled time. In order to keep our preschool children safe and well-cared for we need additional volunteers.

Please come immediately to the Preschool Desk, check-in with our workers and let them know you are available to serve. If someone else has come before you and filled the necessary spots, then you will be directed to go back to the service.

We don't like to use this call-out any more than necessary, but when we do, it is because we really do need help - so please respond!

You may also see other numbers displayed. Those are assigned to specific children and are displayed to let the parents know that their children need them.

Your daughter is growing up. The world has a lot to say to her, and she's starting to listen. Even if she doesn't know it, she needs you more than ever. It's time to press in, tell her some things she might not know (or might have forgotten) about who she is in God's eyes. Just five conversations, but they could be the basis for a whole new way of relating to your daughter.
