New Missionary Guests

Below are two of the new missionary guests that have not attended Global Impact Celebration in the past.

Matt & Katie Dooney
Word of Life Fellowship

Word of Life Fellowship produces the literature we use in our Children's Ministry Wednesday Night Discipleship program. It is designed to give our children an in-depth understanding of the Gospel and how to share it. Word of Life believes it is the responsibility of every generation to reach their generation for Christ.

Matt & Katie and their young son live and work in Jacksonville.

Timothy Huggins
College of Missionary Aviation

The Missionary College of Aviation is a new ministry located in Keystone Heights, Florida. Tim started out training groups of high school students with a passion for missionary aviation work. The camp gave the high schoolers a taste of real-time flight experience, technical instruction and spiritual guidance in an no-frills environment like they would experience on the mission field.

He soon realized that most of the teens who felt the calling of God to the mission field to take on a pilot's role were faced with real, practical dilemmas. Most flight programs are too expensive for interested students to afford, forcing them into insurmountable debt or a different career path. Huggins saw the need for an affordable higher-education institution to train service-ready, missionary-minded pilots. And so the College of Missionary Aviation was born.

Qualified pilots from the college may begin to fly missionary flights to the Bahamas, Haiti and the Dominican Republic as well as other islands. They will gain flight experience and work as apprentices fulfilling their requirements for the A&P licenses needed by many missionary organizations.

Their Mission Statement: To provide high school graduates or equivalent with streamlined, professional and economical education and training that meets the requirements of the FAA and mission organizations in a Christian environment with a balanced focus on safety, professional standards and mission orientation.

Additional new missionaries will be attending, however due to requests to not publish information on the web, they are not included here.

BIBLE STUDY

PASTOR'S BIBLE STUDY

*Led by Pastor Lynn Hyatt
Weekly in the Chapel*

This weekly study is appropriate for all believers, whether you have been a Christian several days or several years. Bro. Lynn will teach on a variety of topics, often following a specific theme for several weeks.

In the past he has covered many topics, most recently, a simple method to bring family, neighbors and friends to Christ.

**CHILDREN'S

"Kids Worship for Life" provides opportunities for all children to connect with God through musical expression, art activities, Bible study and group interaction.

Blue Ribbon Dessert Competition **Thursday, August 20 • 11:00 AM**

(All desserts competing should be delivered to the FLC by 11 AM)

On Thursday evening we will have a Dessert Reception following the Opening Ceremony. We want everyone to bring their **best** dessert. Pies, Cakes, Pudding, Layered Desserts, Cookies, Bars - whatever you do best and your family loves the most, we want you to bring *that* dessert.

As a special twist, we are asking you to **bring your dessert to the FLC kitchen by 11 AM on Thursday**. You may also bring them Wednesday between 3:00-6:00 PM. We will have our missionaries here to judge the blue ribbon desserts and determine which is the best! Winners will be announced and ribbons awarded that evening during the reception. You may call Tammy Youngblood at 446-0822 if you have questions.
