In this passage we see the ideal response of the child of God when they are in need of revival. The greatest need is for prayer and confession. The prayer of revival....

Is often PROCRASTINATED until discipline comes 2:1-2a

- His chastening is not a lack of love but further evidence of His GRACE. Hebrews 12:5-6 & First Corinthians 11:31-32

Is an acknowledgement that only God can DELIVER 2:2b-8

- We must own our REBELLION.
- We must give up our "CONTROL."
- We must give up our "IDOLS."

Is produced in a THANKFUL heart 2:9

- Which pursues OBEDIENCE
- Which acknowledges God's GOODNESS

Is a prayer of RESTORATION 2:10 – 3:1

- God alone DELIVERS. 2:10
- God gives OPPORTUNITIES to be USED again. 3:1
