

Romans – Believing Right. Living Right.

Romans 12:14-21

Every believer has been given spiritual gifts to build up the Church. Grace is to govern the use of our spiritual gifts within the Church. Grace is also to permeate how we relate to everyone, believer and unbeliever. As followers of Jesus, it is not enough to believe right. We must also treat others as Jesus would. Paul now teaches us to respond with grace....

To those who oppose us for _____ . *v. 14*

To those who are _____ . *v. 15a*

To those who are _____ . *v. 15b*

To those with whom we _____ . *v. 16*

To those who _____ us. *vv. 17-21*
