

Marriage Matters - Part 1
Ephesians 5:25-32
02/14/2021

While the devil seeks to redefine marriage and the roles of husband and wife, God has given specific and authoritative direction to us. Since God ordained marriage it makes sense only He can properly define it and assign the roles within it. We begin this morning with His direction to the husband. The husband is to love his wife...

As Jesus loves _____ (25-27)

- It's a _____ not a _____.
- It's a _____ second only to your love relationship with Jesus.
- It's a _____ love.
- It's a love with a _____.

As he _____ (28-30)

- He _____ her.
- He _____ her.
- He _____ her by giving that which helps her grow.
- He _____ her by giving the kind of love which gives her comfort, protection and security.

Disciples That Make Disciples
2 Timothy 2:1-2

The message of Jesus is not only for us, it should be shared and invested in others. As followers and disciples of Jesus we must...

Hear From God (1-2a)

- Grace comes from God.
- Growth comes from God.

Hear in Community (2b)

- God charges us in community.
- God changes us in community.

Teach to Others (2c)

- It is a reciprocal relationship.
- It is a recurring relationship.

So They Can Teach Others (2d)

- It should not end with them.
- It is multiplication not addition.
