John has told us obedience to Christ's commands is proof of salvation. In these verses he addresses obedience to a specific command and the resulting confidence.

The command to love vv. 7-8

- It is "old" because God has _____ commanded His people to love one another. v. 7
- It is "new" because Jesus provides both the _____ for how to love and the _____ to love. v. 8

The test of salvation vv. 9-11

- It is a "_____ / _____" test.
- If we love, we are _____. v. 10
- If we don't love, we are _____. vv. 9 & 11

The command to love vv. 7-8

- It is "old" because God has ALWAYS commanded His people to love one another. v. 7
- It is "new" because Jesus provides both the EXAMPLE for how to love and the ABILITY to love. v. 8

The test of salvation vv. 9-11

- It is a "PASS/FAIL" test.
- If we love, we are SAVED. v. 10
- If we don't love, we are LOST. vv. 9 & 11

Biblically, to love is to relate to others as Jesus would. It is much more about ATTITUDES and ACTIONS than FEELINGS/EMOTIONS.
