How To Teach The Bible

Saturday, March 7th

9:00 AM - 12:00 PM

Coffee and Snacks provided.

*Childcare is available upon request;
please contact the office.*

As we grow in our knowledge of God and the Bible, the natural progression is that we would have conversations with others about it. Whether speaking one-on-one or to a group, the Great Commission commands all believers to be prepared to teach and speak to all about his saving grace. This church-wide training will discuss some methods used to prepare for speaking with others about the Gospel and Scripture as a whole. **Contact the office at 904.879.2172 to reserve your spot or sign-up in the foyer.**

Vision 2020 Giving Days

March 7th and 8th

Recently Pastor Lynn shared the VISION 2020 goals and priorities he believes God would have us pursue this year. He is asking you to join him in “big praying,” asking God to do what we cannot do in our limited ability.

Several of these ministries will require significant start up finances. Therefore, we have set aside Saturday, March 7th and Sunday, March 8th as a time to give sacrificial gifts toward these VISION 2020 goals. Hopefully, you have already begun praying regarding what the Lord would have you give for these needs. The needs are great but we know our God is able to supply as each of us follow His leadership in our sacrificial giving.

VISION 2020 GOALS

1. 100 souls saved and baptized.
2. Adding a Missions/Evangelism Pastor.
3. Development and expansion of a Food Distribution Ministry to include constructing a facility for that purpose.
4. Development of a Celebrate Recovery ministry for those dealing with addictions.
5. Development of a Clothing Ministry, possibly through a “thrift” store.
6. Expansion of our Small Groups Ministry.

Managing God's Blessings – Part 2

Second Corinthians 8:1-5

2/22/2020 P.M.

2/23/2020 A.M.

Whether we are talking about our spiritual gifts, our natural talents, our relationships, our time, our opportunities, our possessions, or our finances, believers are to be faithful managers. In writing to the Church at Corinth Paul was challenging them regarding financial management. They seemed to think they had it all together (V.7), yet they had not learned the discipline of 'grace giving.' Paul encourages them by reminding them of...

The _____ for our giving v. 1

- God's grace to _____
- God's grace to _____

The _____ for our giving vv. 2-3

- Is Christlike _____
- Is Christlike _____
- Is Christlike _____

The _____ in our giving vv. 4-5

- Worship is expressing our _____ for Jesus and being a good manager is one of the ways we do so.
- It is a _____ to pursue Jesus' heart in giving.
- It is an _____ of our relationship with Jesus.

Being a _____ doesn't make you a _____. But being a _____ should make you a _____.
